

About Us

Our purpose

At UCIPS, we inspire and encourage people to believe in and challenge themselves, discover their passion and realize their potential.

Our personnel team is dedicated to bringing this purpose to life for every single program participant. Our team is driven by our purpose and unified by our values.

Our Values

People focus, teamwork, continuous learning and global leadership.

Imagine a world in which all 8 billion people could realize their potential.

This is our vision.

We are a global leader in experiential education. We invite you to join us – as a participant on our program, a partner university, a government supporter, a scholarship donor, a host organization or as a member of our highly valued team.

## Program quality

Our program quality is the reason why we are the trusted internship program placement agency for leading universities.

Our internship placement program is for those who wish to travel outside of their comfort zone and gain crucial experience in their selected career fields.

Our program participants regularly describe their experience with us as life-changing. We work tirelessly to promote a superb professional and personal experience for our participants
